Despite attempts to sabotage this year's Northern Counties A.A. Championship Races by persons unknown placing a misleading advert in Athletics Weekly about a change of date, 183 fell runners took part - the usual number.

Dave Cartridge confirmed his recent fine form with a comfortable win and a fine time considering the very windy conditions. Robin Bergstrand, having come up through the junior ranks, has established himself as one of our leading senior fell runners, finishing in second position - I hope he is not tempted to over-race and incur injury!

With athletes from America, N.Ireland, Isle of Man and Italy, the event retained its international flavour established last year, and it is our intention to encourage this trend in the future. The Italian team, a club from Zogno, near Bergamo, displayed considerable courage and ability in completely foreign conditions and a race duration 30% longer than they are used to. The weather was bad (for the first time in the history of the championship) and route finding difficult on Crag Hill. The latter problem was experienced by several British runners, who are listed as disqualified for missing this checkpoint. Vito Cornolti, lying fourth when he got lost, ranks about 12th in Italy. Luigi Lazzarini, who was 7th, is the Italian "downhill champion" but used to different terrain, ran this race in "flats" - a good performance in the circumstances. Giancarlo Fantini was also well up the field until unnecessarily visiting Crag Hill twice! I think they realise now how different is English running to Italian Corsa di Montagna - especially in relation to our different emphasis on 'money' and the 'need to win' aspects, which are so important in their races. Suffice to say that if the weather had been fine they would have been close to winning the team race!

The team race was, in fact won by Keswick once again, for the fourth successive year.

Finally, congratulations to Carl Mustill from Pudsey and Bramley who set a new record in winning the Junior race in fine style.

Our grateful thanks to:-

Roy Swinbank, Championship Sec. of the N.C.A.A. who presented the prizes.
