Ian Holmes, Gavin Bland and Andy Peace ran together for most of the 9½ miles of the North of England A.A. Fell Running Championship (The Sail Beck Horseshoe), the two Yorkshire men making sure they made good use of the local boy's (Gavin) course knowledge. Andy took a tumble, resulting in a badly gashed knee, which probably put him out of contention for a notable win. Instead, his club mate Ian was left to forge ahead of Gavin on the final descent from Whiteless.

The newly formed Borrowdale club lifted the team title with the Bland trio. The ladies race was also a close run affair, with the experienced Ruth Pickvance just managing to hold off the up and coming Jackie Reid (C.F.R.) who was competing in only her fourth fell race.

Whilst the senior race attracted a large field of 221 starters, the junior race (15 18) could muster no more than 4! It was, however, won by one of our best talents - Matthew Moorhouse; staking his claim for a place in the England team, denied him last year because he was too young.

The checkpoint controllers had a hard day as they were battered by hail storms and chilly winds - as usual, on behalf of all runners, our grateful thanks to them. Thanks also to those on the finish who also had difficult conditions to contend with as the parking field took a dreadful hammering in the wet conditions.

Many thanks to Roy Swinbank, Chairman of the North of England Athletic Association, for travelling to Buttermere to present the awards and prizes.

Finally, thanks to everyone else who helped to make the race possible - Duncan & Gillian Stuart for flagging and orange at Rigg Beck, Brian and Linda Stagg from Croft House Farm for kindly providing the field and refreshments, Maryport St. John's Ambulance Brigade for being in attendance at the finish, and a special thanks to Roman Halenko - its good to get a runner offering to help instead of taking a run.

Danny Hughes - Hon. Secretary

Found on field: Ladies wrist watch.
