The '96 Buttermere Sailbeck once again was blessed with near perfect conditions, warm in the valley yet cool with a breeze over the tops. A Slightly smaller field this year, without championship status, left 117 (including 7 ladies) to carry the honours. Robin Lawrence ran well over the now shorter course (this avoids runners crossing the road into Buttermere just before the finish) to win by 10 seconds. The checkpoint times revealed the Bingley duo, Robin Lawrence and Robert Jebb, starting well and running pretty much together to lead the field after the steep ascent of Causey Pike with Jonny Bland, Simon Booth and Jim Davies for Borrowdale packing in behind. Simon finished well to split the Bingley runners with Jonny and Jim following a couple of minutes behind, giving Borrowdale the team prize. Vanessa Peacock easily won the ladies race (and as a veteran too!) by over 13 minutes from Tricia Smith who ran in 1 minute in front of Susan Hodgson.

TEAMS - 1 Borrowdale with 11 points, 2 CFR with 35 points and 3 Clayton le Moors with 104 points.

COUNTY PRIZES went to the Borrowdale trio, Simon Booth, Jonny Bland and Jim Davies. Thanks to the start and finish team, and checkpointers:- Maggie Read, Danny(also prize giving) and Norma Hughes, Allan Watkinson, Chris (radios), Ingrid and Bridget Ellen, Vicky Watson, Neil Eccles, Steve Barnes, Jenny Baillie, Len and Denise Watson, John and Kay Peel and to my girl-friend (now my wife!) Sandy, sons Christopher, Gordon and daughters Lucy and Hannah. Hope to see you again at the Wasdale on 13th July and the Scafell (note date change) on the 28th September.

Regards
