Teams

1st	Gents	Borrowdale
1st	Ladies	Keswick AC
1st	Inter-county	Cumbria

This was a better attended race than last year, thanks partly to the Inter-County championship organised by Dave Hodgson. The turnout was apparently unaffected by the prospect of poor weather and neither were our hardy checkpointers who, after reaching their summit, hunkered down behind that well-known portable shelter 'the other checkpoint'! The gents race was led by Alan Bowness for most of the course but the final order was decided before Whiteless Pike and Mark Roberts won by 16 seconds from Mark Kinch who in turn was a minute in front of Alan at the finish. Kenny Stuart's 1985 race record remains safe by just over 6 minutes however even though it was run over a slightly longer course. The Vet 40 category was won by Steve Oldfield in 9th place overall with Adrian Jones second and Graham Schofield third by only 2 seconds. The Vet 45's was won by Tony Hesketh with Mike Walsh second and Robert Firth third. The Vet 50 category was won by Tony Peacock with Brian Martin second and Mike Pitchford third. The Vet 55 was won by Jim Buchanan with Mike Jones second and Harry Blenkinsop third. The Vet 60 category (sole contender) was won by Ron Bray who came in ahead of the last two Vet 55's. The winning Gents team was Borrowdale with 70 points, while the winning Inter-County team was Cumbria with Yorkshire second and Lancashire third. Also commiserations to Peter Maggs of the Gwent team who still managed to finish 35th despite sustaining a dislocated shoulder during the race, rectified by a visit to the hospital on the way home. The ladies race was won by Nicola Davies (45th overall), also taking 1st Vet 35, with a margin of nearly 3 minutes over second placed Vanessa Peacock (58th), 1st Vet 40 and a further 6 minutes ahead of third placed Angela Brand Barker, 2nd Vet 35. The 3rd Vet 35 was Jane Jones. The Vet 45 lady winner was Maureen Bridge and the Vet 50 category was won by Doreen Madden. Again A. Carson's 1988 race record was safe but with only 5 minutes to spare and with better conditions it could so easily have been different... We are also very pleased to announce that for the first time in quite a while we have been able to

present a Ladies team prize. This was awarded to Keswick AC, however apologies go to these Ladies as this wasn't awarded on the day. This has since been rectified and you should have now received your prizes. We hope this will be the first of many years to come that this prize can be awarded.

Many thanks to Dave and Shirley Hodgson for putting in the groundwork and the finish support work for the Inter-County championship (let's hope there are more on the fells) and to Rex Rowbotham and Cliff Robinson of the UK Inter County Athletics Federation who presented the prizes. My sincere gratitude to all those who helped in bad conditions on the summits, John and Val Burrows coping with the queue on Ard Crag, to Ingrid Ellen, Joanna Pembleton and the Brand Barker drinks support team of Tony and Christopher at Rigg Beck, Bob Davies and Irvine 'I'm saving my legs for the Wasdale' Block on Causey Pike, to Rod Chilton and Steve Brinsden on Crag Hill and Steve Barnes and Jenny Bailie on Whiteless Pike. The brunt of the organisation was borne by my wife Sandy who was helped at the start and finish by Liz Huddleston and Norma Hughes, to Danny Hughes with the official watch, also Mike Rose and Alex and Trish Smith at the finish. Chris Ellen and daughter Bridget on base radios, my daughters Lucy, with friend Rebecca, who sorted out your parking needs and Hannah as results runner. A special note of thanks to Paul Weaver who was not competing and did all kinds of jobs on the ground including transporting checkpointers. Well done all of you! Between you the competitors and the support team I believe the spirit of the race was very good indeed. Finally my thanks go to the Staggs of Crofthouse Farm for allowing us to use their field to park in and for providing the hot drinks and biscuits. So hope to see you all next year.....please!!

Richard J. Eastman
