Team: 1st Borrowdale 21 points

Retirements: Peter Dawson (CFR), Peter Normington (CFR), John Quine (Kendal AC)

Sadly for all concerned 1999 was to be the last Buttermere' Sailbeck' Fell Race. The CFRA committee has regrettably decided that due to escalating race costs, low race entries, calendar conflicts with too many other races, and the diminished ground support for this event, it was time to call it a day. We are grateful to you all for giving us your support over the years, harking back to I think 1974, when the 1st race was held from Honister top. However please don't forget to come along and support our remaining four CFRA races.
