Chairman's Comments

Our congratulations to all prize winners, and indeed to all who completed the 6th Ennerdale Horseshoe under quite difficult conditions. The thick mist during the first half of the race gave those of us experienced in this race a definite advantage but some of the gross errors reported could have been avoided by using map and compass.

May I, on behalf of the competitors and the Cumberland Fell Runners organising committee, express our warmest appreciation of the assistance given by those who manned the check points, Mrs Long and her team of helpers who provided food and made over 300 cups of tea, the Wasdale, Millom, Penrith and RAF Leeming mountain rescue teams for their reassuring presence and radio coverage of the race, and Mr J Long for making the facilities of the Ennerdale Scout Centre so freely available. Our thanks also go to those who contributed so generously to the prize list enabling us to offer in the region of £50 worth of prizes for both races combined. As always, we welcome constructive criticism of all aspects of the races, - especially from competitors who made this year another record with 90 entries.
