We had typical Ennerdale weather in reverse for this year's race - a fine start, degenerating into a very wet afternoon. The fleet of foot had the best of the weather, leaving the slower runners to face heavy rain. Mist on the tops led to a record number of retirements from a starting field of 155 runners (also a record).

None of this deterred a very fit Billy Bland, whose new record run in such conditions augurs well for the future - for himself if not for his rivals. Last year's record breaker A. Styan had to content himself with a slower run to fill second position, just in front of another previous Ennerdale winner, Mike Short.

Keswick retain their domination of the team title in the face of the rapidly improving C.F.R. squad.

It is conceivable that Billy Bland could set a new kind of record that would surely merit recognition - that is to win every fell race promoted by C.F.R.A. for the year. With the Northern Countics, Ennerdale and Muncaster under his belt he is half way there.

Finally, one must acknowledge the good performance of those girls who completed the course for the first time this year - in particular, Pauline Haworth's remarkable run, which many of the men must have envied.

No new records in the Crag Fell races, but congratulations to Albert Sunter (his last year as a Junior) and to Jean Lochhead, who were both clear winners.

Thanks to R.A.F. Leeming and Wasdale Mountain Rescue teams, St. John's Ambulance Brigade, those who prepared lunches, manned check points and officiated in any way. Also, thanks to British Nuclear Fuels, our sponsors, and to John Doran, Deputy Works General Manager (Windscale & Calder) who presented the prizes. We look forward to seeing many of you at the Wasdale.

N.B. Various items of clothing were left behind at Ennerdale. We will bring these along to Wasdale. Please claim at registration.
