Kenny Stuart, regarded by many as rather vulnerable in the longer tougher fell races, dispelled all doubts as to his ability in this department as he sped round the formidable Ennerdale Horseshoe in a new record time and well clear of his regular shadow Jack Maitland.

Racing conditions were perfect; cool, clear, a slight breeze and high cloud giving protection from the sun. This was reflected in the large numbers of runners achieving Gold (4hr) and Silver (4.5hr) standard times. Peter Hall completed his first Ennerdale in fine style, easily winning the vets class and now favourite for the FRA Vets Championship title. Pauline Howarth romped home, first lady with no effective opposition.

The team race was a close affair with Keswick narrowly hanging on to retain their team title in the face of a strong Horwich challenge.
