The Team prize this year went to Kendal A.C. with 12 points (H. Symonds - 1; P. Clark - 5; G. Huddleston - 6)

- - - - -

Tactics were at a premium amongst the leaders as they set off on the 23 miles around Ennerdale on a hot, dry morning. The pace was restrained (everything is relative!) for the first half of the course but no one could stay with Hugh Symonds, whose pace over the easier terrain in the second half ensured his second Ennerdale victory. His winning time of 3.34.48 was very respectable in the conditions.

The most noteworthy performance, however, must be young (21) Mike Fanning in the runner-up position. I hope he doesn't burn himself out with too many long runs at his age.

Billy Bland was first vet. as expected and Jos. Naylor chalked up another super-vet. prize, despite his slowest Ennerdale ever. Sarah Haines beat English World Cup runner (1987) Vanessa Brindle quite comfortably. She could make the top four herself with some speedwork - we need more competition at the top amongst the lady fell runners!

Our grateful thanks once again to all those willing helpers who make it possible to hold the race. We hope they enjoyed their day on the fells too.
