Congratulations to the new holder of the "Luck" trophy, Graham Huddleston who, in beating the 3 times previous winner Harry Jarrett, was forced to run a new record time, shattering Mike Short's long standing record by 1 min 33 sec. Jarrett was only a stone's throw behind and also broke the previous record.

There was only one retirement from the race which was run in fine, dry conditions. Disappointingly, no women competed for the new ladies trophy or the three prizes.

The Muncaster Castle gardens were in glorious bloom and again it proved a lovely family day out for those who brought wife and children to the event.

The valuable help of all of the following is acknowledged with thanks, without whom the race could not have taken place:-
