The weather remained fine to complete a glorious weekend of fellrunning organised by the CFRA.

Local runners dominated the event with Harry Jarrett getting his name on the trophy for the 5th time since 1978. CFRA won the team event as usual - what about some kind of challenge from other top fell running clubs?

The ladies race was well supported and the winner V. Thornton (after navigational error by the then leader Gill Slater-Smith) received a fine new perpetual trophy in the shape of a large steel fruit bowl.

Our grateful thanks are due to Patrick Gordon Duff-Pennington of Muncaster Castle for providing all the facilities, free entrance to the grounds for competitors and wives etc and the prizes and trophies. The scene as usual was really splendid with the extensive gardens in full bloom, the Castle available for waiting families to tour, and almost the whole course visible from the castle terrace. This must rank as the finest event for a family day out on the whole FRA race calendar. We hope for your continued support next year.
