We had a beautiful day yet again for this year's race but numbers were well down on previous years.

Donald Lee confirmed his recovery from injury and return to form with what looked like a comfortable win. Although it was a hot day, he was barely perspiring as he crossed the finish line! Martin Hudson, appearing in fewer fell races nowadays, clinched the vets. prize in 7th position and Sarah Haines capped her Ennerdale victory of the previous day with another convincing win. A prize for the first runner under 21 went unclaimed because there were no runners in that age group. John Peel (now almost 60!) won the super-vets. prize.

Many thanks to Patrick Gordon Duff Pennington, his family and staff for prizes, assistance and enthusiastic support of the race. Those who have not yet sampled it are missing out. It makes a superb family day out and the gardens are at their best. We look forward to seeing more of you next year.

Our grateful thanks also to the following: St. John's Ambulance Brigade; Checkpoint controllers - Chris Ellen and family, Gerry Burgess, David Howard, David Hughes, Diane Bainbridge and Ray and Vi Nelson; Finish officials - John and Kay Peel, Rachel Hughes and the O'Neill boys + friend on orange squash.
