A small increase in last year's record low entry was encouraging for the organisers. It was yet another superb day with the castle gardens in full bloom. One runner commented afterwards that it was one of the best short events in the calendar. With free entry to the grounds for runner & partner, and T-shirts for the first 25 this year, it is a good value for money event.

Several Ennerdale runners used it as a warm down & demonstrated their power of recovery by finishing well up the field - best of these being Geoff Clucas in 4th position. Rob Jamieson needed to be fresh to beat a previous Muncaster winner & route expert Harry Jarrett.

A good ladies field were led home by Sue Clark of Kendal, a newcomer to this race, who beat British crosscountry skier Fiona Russell by about two mins. after the latter had a fall descending from the "pepper pot".

Runners & organisers were given a warm welcome as usual by Patrick Gordon Duff Pennington of Muncaster Castle and by his wife Philida who presented the prizes.

Our grateful thanks to all those who helped with the organisation of the race - St. John's Ambulance Brigade, checkpoint controllers, start and finish officials.

Come again next year and bring your family for a lovely and exciting day out!

Danny Hughes - Hon. Secretary
