1st team Stockport 16/26/28/36 total 106 points

In the beautiful Eskdale valley conditions above ground were nigh on perfect with light winds and brilliant haze-free sunshine. Gary Byers led from the start and gained 3 minutes by Water Crag and nearly 4 minutes at the finish. His time was well down on the race record but was affected by particularly heavy going on the approach to the Pepper Pot.

Stockport won the team prize being the only club to put 4 runners on the fell. This is the first year that CFR have not won the team prize since the race started!

Apologies to the runners who ran astray at the foot of the finish funnel in spite of the flags. This is the second time this has happened and caused a change in the ladies' winning order. Some runners were almost posted as missing at the finish because they arrived across the front of the castle and didn't get a time on our check cards as they
