Race Report

Perfect weather – yet again! – saw a larger than normal field, 100 started, using up exactly all of the race numbers I ordered from from Pete Bland Sports. The Scafell course has been altered over the first part of the (now longer) run to skirt the farm fields using the same route as in the 2001 FMD year. Martin Mikkelsen-Barron (Borrowdale) won (for the second year in succession) by a significant margin, chased in by Ted Mason (Wharfedale) followed 30 seconds later by John Heneghan (Pudsey & Bramley). The gents winning team was Wharfedale with 35 points.

The ladies race was won by Judith Jepson (Dark Peak) also picking up the LV45 prize, 2nd was Hazel Robinson (Ambleside) , 3rd Kate Beaty (CFR). The ladies winning team were CFR with 215 points.

There were prizes given for both gents & ladies U23 categories, gents was won by Joseph Crossfield, 2nd Sebastian Bodger & 3rd Ben Taylor. But, Sebastian started nearly 6 minutes late which would have given him a 5 minute winning margin! The Ladies U23 was won by Jenni Boocock, the only runner in this category. There was also only one U18 runner Sam Johnstone from Ellenborough who won his category. Let's hope there are more U18s next year to make this more of a competition.

Thanks to my helpers Rod Chilton, John Hill & Muriell on Scafell Pike summit team, Jim Davies & Lindsay Buck on Registration & stopwatch (while Lindsay ran), John Rea & his daughter Alice who collected in the flags & helped so much with the results. Also to Dave Elthorpe for providing the paramedic cover & had a busy time patching up one runner with a gashed leg who needed to visit A&E, thankfully discharged that day.

I apologise for not asking for a round of appreciative applause for the helpers mentioned above so let's hear the internet cacophony of hand clapping for my friends above who again & again give their time freely to make it possible to hold these races – hip hip hooray!!!

Lastly thanks to the Wasdale Head campsite for allowing us to hold the race on their grounds. Hope to see some of you next year.

Cheers,

Richard Eastman
