Race Report

The weather gave the 76 runners a warm climb but the summit was shrouded in heavy mist, which gave one runner a 2hr walkabout descent. Race winner George Crayston opened up a summit lead of about 1 minute to more than 5min at the finish over 2nd placed Joe Washington. Although this lead was quite remarkable, Ricky Lightfoot's 2010 run gave him a 7min lead. 3rd gent home was Andy Fleet. There were 2 junior runners, Jonty Fish won the JU18, & Tom Thomas the JU23. Mike Robinson was the 1st V45 in 5th place, beating V40 A. Meanwell, V55 winner Andy Beaty also led V50 John Rawford. The V60 was won by Brian Thompson & V65 by David Fell.

The leading lady was Caitlin Rice in a very well placed 10th overall with 2nd lady Lindsey Brindle in 15th, 3rd was Lynne Clough, also winning the LV45 category. The LV40 winner was Fionnuaca Swann, the LV50 won by Lindsay Buck, LV55 by Kate Beaty & LV65 won by Lesley Malarkey.

The winning Gents & Ladies teams were both provided by CFR.

The King of the Mountains (Snowdon/Ben Nevis/Scafell Pike) competition was won by Joe Washington, only 1 point in front of 2nd Nigel Wood, with Chris Jackson 3rd.

The Queen of the Mountains was Lindsey Brindle, runner-up Caitlin Rice & 3rd Lynne Clough.

The Jack & Jill prize went to Chris Jackson/Caitlin Rice (Faster!), 2nd Andy & Kate Beaty, 3rd Steve Turland & Fionnuaca Swann.

Thanks go to my helpers :-

Summit checkpoint (very cold standing still!!) Terry Kirton & Ian Finlay, John Rea on the radios & finish, Lindsay Buck (running the Pike for the 54th time this year!) & Jim Davies for registration & stopwatch. David Elthorpe for the paramedic cover, Joss Naylor for presenting the prizes.

The Pike clashes with the 3 Shires but we had a good turnout. The tally board which we used at the Wasdale worked extremely well. The FRA radios loaned by Pete Bland Sports were superior to our CB net, but we will keep running 2 radio nets just in case.

Thanks to you all for running, hope to see some of you next year at the Wasdale 11th July & Scafell Pike 19th Sept.

Regards, Richard Eastman Chairman CFRA
