Race Report

In line with the forecast the weather was almost perfect for the revised shorter course Scafell Pike. The race length now closely resembles the original pre-FMD year route so the original records can once again be challenged, though as yet not threatened!

The turnout of 127 in a non-championship year was more than just excellent, boosted by 34 Army runners. Josh Jardine (U/A) at just 20yrs led by a minute from Helm Hill's Ben Proctor at the summit & nearly 3 minutes from Ellenborough's Richard McGrath. Richard descended very well, & managed to pass Ben on the return leg but Josh still won by over a minute. Ladies' winner Caroline Higgins from Leeds Bradford Tri Club led by 2 minutes at the summit but runner-up Ilkley's Kate Archer descended well & closed the gap to just 7 seconds by the finish with Barlick's Rachel Lowther coming 3rd.

Alan Smith ran an excellent race as a V55 coming in 6th overall as did Zac Hudd doing a numerical trick of coming 16th at just 16yrs of age.

Helm Hill were the 1st gents team with the Army Engineers 2nd & Barlick 3rd. Barlick also picked up the ladies' team prize with Aycliffe runners-up.

Thanks go to Bob Smith for kindly stepping in & being organiser on the day as I was unable to attend. To paramedic Dave Elthorpe for patching some thankfully minor scrapes. To Jim & Lindsay for registration, with race no.1 Caroline Harding also mucking in early on. To John Rea for car parking etc. & to the summit team of Terry Kirton, Richard & Michael Green.

Thanks to the National Trust campsite for allowing us to start/finish the race in their environs, & to Andrew Naylor Lopez for the car parking field.

Hope to see some of you next year,
Richard J Eastman Chairman CFRA
