Race Report

The Scafell Pike was blessed once more with near-perfect conditions & the late forecasted rain never appeared. The course had been revised yet again, starting with a loop of the car parking field to thin out the runners before entering a path which narrowed considerably over the first few hundred metres (the descent route from the Wasdale). 104 runners set off, only one retired. The winner Simon Booth (M45) from Borrowdale was second behind Lochaber's John Yells at the summit but led John home by just over a minute, descending the Pike in just 15min!!! 3rd counter was Harvey Lord from Black Combe. The ladies race was won in a very quick time by Bronwen Jenkinson from Eryri, 2nd was Belinda Baquero from Pudsey & Bramley with 3rd Helm Hill's Marie Robson. The winning gents team (3) was Black Combe, unfortunately no women's team emerged this year. The King of the mountains trophy was won by Richard Macleod from Lochaber, 2nd John Yells, 3rd Andrew Cox. This year's Queen was Marie Robson, 2nd Fiona Hall, 3rd Caroline Harding. The fastest Jack & Jill couple were Paul & Bronwen Jenkinson, runners up Jim Ryder/Jo Foster & 3rd Richard Tait/Karen Goodyear. Thanks to all my helpers, marshals, paramedic, Joss Naylor for the prize giving, the National Trust & Andrew Lopez for allowing us to use the field. Hope to see some of you again next year, flapjacks provided free of course! Cheers, Richard Eastman
