The Cumberland Fell Runners Association committee wish to thank the European Commission in London for their financial support, which made it possible to invite teams from Italy, France, Belgium and Ireland, as well as the home countries, to our Scafell Pike race. We were blessed with fine weather and a splendid race, with a "comfortable" entry of 181. Only one person retired!

Congratulations to Battista Scanzi, who ran away from everyone to win in a new record time. He only managed a reserve place for the Italian World Cup team in Switzerland this year, so a marker has been put up for our boys for the World Cup in Keswick next year. England packed well, taking the team prize easily, with all four selected runners in the first ten finishers.

I apologise that a few runners have no finish time but the recorder paper jammed in the timer and the times overprinted, making them impossible to read. I hope you can interpolate between the two known times to your satisfaction.

Many thanks to the St. John's Ambulance Brigade who did some good repair work, and to all those who got roped in to help on this day. B.N.F.L. supplied the tent and Scott Naylor the field. Billy and Claire Greenwood at Wasdale Hall Youth Hostel looked after our visitors very well.

Danny Hughes
Hon. Secretary on behalf of the
C.F.R.A. Committee
