Race Report

The 34th Wasdale saw a fresh weather start but was forecast to - & did! - change to wet & windy in the afternoon, getting worse in the evening. The field of 154 starters was much larger than expected for a non-championship year. Probably due to Brian Martin’s excellent Classics trophy initiative. After a random kit search the runners set off about 4 minutes late.

The leading gents group of Jim Davies, Paul Thompson, Lloyd Taggart, Mark Palmer, Pete Vale, Joe Blackett, Andrew Davies, Andrew Schofield, Ricky Lightfoot & Francis Blunt ran pretty much together to Seatallan. By Pillar, Ricky & Jim had dropped behind, Paul & Jim came off at Black Sail, the leading 5 drew away from Ricky, Lloyd opening up a small lead by Esk Hause, steadily increasing it to 2 minutes over Mark (1st V40) by the Pike, Joe (2nd V40) & Pete about the same distance behind Mark with Andy Schofield leading Andrew Davies (3rd V40) by around 15 minutes. The descent to the finish made very little difference to the gents, Pete edging 20s in front of Joe but not far back Helen Diamantides who had led Jackie Lee to Seatallan & then running together until Jackie edged a slight lead at the Pike, lost over 5 minutes more on the descent, Jackie descending in 18min coming an amazing 11th overall out of 128 finishers & breaking Marie Todd’s 1997 record by 3 minutes, Helen (15th & also 1st LV40) coming just 3 minutes outside it.

Borrowdale again had the winning gents team with just 34 points. The 1st V45 was Mike Johnson from Bowland, runner up Pennine’s Geoff Briggs, 3rd counter Pete Crompton from CFR. First V50 was Willie Bell from CFR, 2nd Kendal’s Chris Lumb, 3rd Ian Cowie from Mercia. First V55 was CFR’s Jackie Winn, 2nd Dave Tait from Dark Peak, 3rd Rossendale’s Nick Harris. The V60 class was won by Richard Clarke from North Yorks Moors.

There was no ladies team of 3 from any one club to count this year. 3rd lady was Elizabeth Batt from Dark Peak (also 2nd LV40), 3rd LV40 was Christine Preston from Keighley. 1st LV45 was Keswick’s Jane Meeks, 2nd Kate Ayres from Cheshire. The LV55 was won by Wendy Dodds from Clayton.

I apologise once again for the somewhat piecemeal placing of these results & report on the website -

One point of significance, unfortunately one runner became partly exposed at height & had to be placed in a survival bag by a member of the Keswick MRT. After an hour or so he had recovered sufficiently to be walked down. He was not carrying leggings or a hat. To my knowledge, this is the first time we have had a near-casualty on the Wasdale. All runners should carry FULL body cover on these races. By implication, this includes hat & gloves, if not also a hooded cagoule. We carry out a random kit check at or before the start. We have never felt it necessary to check everybody through but we are considering this for next year. This might necessitate an earlier closure at registration if we have to search 150 runners, even if in 3 columns or so. You can appreciate the logistics? Also, do we have to check runners at the finish as well? Perhaps we should, to verify that equipment wasn't just put on show at the start then dropped off to a friend just afterwards. All runners sign entry forms to confirm they will abide by the race rules. These rules are for the safety of the runners. I will clarify these requirements through the FRA. I would appreciate constructive comment - this is your race as much as ours & we don't want to make registration onerous. We only organise this event for your running enjoyment in that it represents an awesome challenging run in these wonderful mountains. Our sister race the Ennerdale has a similar reputation for difficulty. The only thing that is more important than your enjoyment is your safety on the fell, after all.

Now for the eternal thanks to the following people who helped me out this year. All are volunteers, who give of their free time.

Checkpoint marshals, Ian Simpson plus another Ian Rae on Whin Rigg. Neil Eccles & Bernie MacDonald on Seatallan & Len Watson, Steve Brinsden on Pillar. To Steve Barnes & Jenny Bailie on Great Gable, David Powell-Thompson (by himself yet again this year – although not anticipated) at Esk Hause. Jim Davis, Lindsay Buck on Scafell Pike and the graveyard double shift of Roger Whitaker (who also did driving to Greendale & all other kinds of help on the day) & Ian Simpson (yes - again), with his wife Genevieve & 10 month daughter Aurelia CFRA's youngest checkpoint marshall! Rod Chilton at the last gasp on Lingmell Nose. Peter O'Neill did the radio cover for us again, Peter was one of the founding members of CFRA. Thanks also to Bob Davis on manual time keeping together with his wife Gillian who together with Peter was invaluable at registration. Organics2go catering in appalling weather did a fantastic job – on their wedding anniversary too! Joss Naylor flagged the valley crossing, helped at the Greendale drinks station & was great company for the prize giving. We're grateful to Stan Denver and the St. Johns ambulance crew for the cover - they were again also helping the 3 peaks teams. Wasdale Head Campsite for allowing us to use their facilities & thanks to Mark Hodgson of the Wasdale Head Hall Farm.

Lastly advertising - Scafell Pike is to be held on Saturday the 23rd September, hope to see some of you there too?

All the best and no injuries!
