NOVELTY PRIZE

This was decided by dividing the number of starters (36) by 2 and awarding the prize to the 18th finisher.

N. Carrington Sale Harriers.

Bottle of Sherry presented by a local resident

Thanks are due to the many helpers including the Egrement Division of the St. John Ambulance Brigade and the Wasdale and Millom Mountain Rescue Teams. Also to Mary Naylor and Janet Travis who provided and served the refreshments.

The race which was run under very humid conditions proved, as expected, to be a severe test of endurance calling for a high level of physical fitness. The number of retirements are evidence of the trying conditions which were experienced. The promoters thank all the competitors who took part for their help in establishing the event and in particular those who travelled long distances in order to be present. They look forward to comments. !! The Prizes were presented by Jos. Naylor who was unable to compete because of foot injury. T. Orr of the C.F.R.A. who was responsible for the major part of the course planning and his associates are to be congratulated for producing an event to be listed with any other in the Fell Runners Calendar.

F. Travis. Hon. Secretary. C.F.R.A. 13 Hallsenna Road, SEASCALE, Cumb.
