-----

On behalf of the Cumberland Fell Runners Association, and competitors, I would like to express our warm appreciation of all the help given, without which it would be impossible to stage a race of this nature, so thanks to - all checkpoint and other race officials, the Wasdale Mountain Rescue Team, St. John's Ambulance Brigade, donators of prizes, Mrs Long and her team of ladies who provided the refreshments, the Warden of the Camp Site for use of camp site facilities, and to Joe Eden, who I am sure must have had writers cramp after scribing all the competitors certificates!

With yet another convincing long distance fell race win this season, Mike Short has assumed the mantle of dominance, carried for so long by Joss Naylor. Mike is only 28 and has before him the possibility of equalling Joss' achievements, though the demands for dedication to the sport that this would require are daunting to say the least. No doubt Mike will take each year as it comes!

Ian Roberts made a valiant attempt to retain the title but in the intense heat could not sustain his early pace.

It was good to see Harry Walker regaining some of his appetite for the long distance event, putting in a good performance for second place.

We must congratulate all runners on the sensible way they faced the problems of high temperature in the blazing sunshine. Headcover (worn by the leading runners) is a great help; frequent intakes of fluid (and here a special word of thanks must be passed to checkpoint controllers who carried water to the tops - it was mentioned to me by several athletes); careful pacing and, not least, early retirement as soon as the possibility of hypothermia became apparent, meant that we had no serious cases amongst the men. We had one case of hypothermia amongst the ladies, who are still feeling their way and gaining experience of what fell running is all about. Congratulations to Joan Lancaster who won the Burnmoor Chase. A 100% turn out in the ladies race made it a success which ensures its continuity in the future.

A full length cine film - with sound - has been made of the race (the ladies start and finish is also featured) by Don & Peter Scarrott, Tommy Orr and myself. Many of you "star" and we hope that you will join us to relive happy memories of the day at our annual dinner (details enclosed) when the film will have its premier.
