Every fall race secretary is totally dependant on a large team of willing volunteers for the success of the race, and this year, as in the past, this team did a magnificent job. So, thanks to Medical, Radio, Checkpoint, Finish and Refreshment teams who combined to make the 1979 Wasdale race enjoyable to all.

In ideal weather conditions - cool and good visibility - Andy Styan dominated the race from start to finish in a determined effort, not only to win, but to smash the old record. His fast early pace put paid to any challenge other than that of Billy Bland. Billy fought back to get on equal terms at Great Gable and again at Ask House. Despite a rather nasty fall on the way to Scafell Pike, Andy ran away to win by a comfortable margin, inside the old record by 7min. 44secs. Billy also finished well inside Ian Robert's previous record of 3.38.35sec. set in 1976. Andy thus becomes the first man to do the Ennerdale/Wasdale double two years running.

The team race was a close run affair with Keswick demonstrating their strength in depth by only requiring one of the Blands to make up their winning team.

Finally, our apologies for being able to give you times of the first five runners only at Scataillan. Our checkers did a great job there too but unfortunately the timesheets have since vanished!
