In good weather Billy Bland notched up a fine win in the 1984 Wasdale. Although well outside the record time, due to the weather, Billy's victory was only achieved after a hard battle for first place with Hugh Symonds who made a break after Pillar and had pulled 2 minutes clear by Great Gable. However although Hugh was running strongly Billy's experience and local knowledge proved decisive, eventually overtaking Hugh after Scafell Pike, to win by 35 sec.

Fine runs were also recorded by Vet Ray Aucott (4-01-10) and Super Vet George Brass (4-44-55)

A pleasing feature of this year's race was the 23 entries in the Junior event the overall winner being M Wilson from Sheffield.

Although only a short event it did unfortunately demonstrate the dangers of fell running to the inexperienced and those not used to moving quickly over rough terrain. Two of the runners sustained suspected fractured ankles and were attended to by the St John's Ambulance before going to hospital.

Main prizes were kindly donated by Barn Door Shop - Wasdale; Bridge Inn - Santon Bridge; George Fisher of Keswick to whom thanks are due.

Thanks are also due to the many helpers who helped with:-
