In recording his 9th successive victory in the Wasdale race, Billy Bland also set up another milestone by becoming the first Veteran to win one of our major races. Sadly, it looks unlikely that he will surpass Jos's 9 successive victories in the Ennerdale Horseshoe since he announced to me, in very convincing terms, that he would definitely retire at the end of this season. However, have we another Keswick runner with potential to take over his mantle? Mike Fanning's position as runner-up in both the Ennerdale and Wasdale suggest big things for his future in long distance events.

The day was cool with low cloud levels and occasional showers. Good for running but posing big problems of navigation. Running this race for the first time in 15 years (and incidentally improving on my previous time by 15 minutes!) I felt honoured to have a posse of 25 runners follow me from Seatallan towards Pillar!

With British championship points up for grabs, current champion Colin Dore in 3rd position gained on one of his main challengers, Sean Livesey who finished 5th. Hugh Symond's expected challenge (after his Ennerdale win) did not materialise but we have a new club team to reckon with - Ambleside A.C. packed in Mark Rigby (4th), Andy Ligema (7th) and Mick Hoffe (9th) to beat Keswick A.C., winners for the past 3 years.

Clare Crofts continued accumulating points as leader of the Ladies championship. She battled round in a very respectable time in the top third of the field.

Thanks are due to the many helpers who provided a safe and enjoyable days sport and to George Fisher of Keswick for providing the 1st prize (a voucher for £60).

We hope to see you all at the Scafell Pike Race on Saturday, 24th September.

Danny Hughes - Hon. Secretary
