British fell running champion Colin Donnelly put his name on the winners trophy for the first time with a comfortable victory over Ian Ferguson (Ennerdale 1st) who won the runner-up "Ian Roberts" memorial tray.

Ruth Pickvance confirmed her good form over the long distances by winning the ladies race in a small field.

Current leader of the o/50 vets, Don Ashton, blew up, allowing Norman Matthews to win his category by a big margin. John Nuttall continues to pick up prizes for o/45 vets. when they are on offer, and the vets. o/40 title went to Dave Spedding by another big margin.

A larger than usual number of retirements and generally slower times were the result of warm, humid conditions for the early part of the race, but a cool breeze brought relief later in the afternoon.

We were very grateful to one runner who had entered for the race but 'phoned to say could he help instead as he was injured and unable to run - we are always pleased to have offers of help like this.

Our thanks once again to George Fisher of Keswick for providing the 1st prize (a voucher for £70).

Thanks also to all checkpoint marshalls, Wasdale Mountain Rescue Team (radio control), St. John's Ambulance Brigade - Egremont Division, St. Mary's Church Gosforth (refreshments), start and finish officials, C.F.R.A. committee members and friends and anyone else who helped out on the day.

We hope to see you all at the Scafell Pike race on Saturday, 23rd September.

Danny Hughes - Hon. Secretary
