After all of the doubt over the effect of the FMD crisis, it was good news indeed to see the restrictions removed sufficiently far to be able to organise 2001's modified Scafell Pike. Yet again the weather gave us its blessing and, although looking a bit clagged-in as I drove up the valley, conditions improved progressively with a few hundred feet of mist clinging to the summit, dramatising Lord's Rake as it rose, pouring over the top of the crags. There was virtually no wind on the ground so we erected our new gazebo registration tent with confidence and I relented on the gear requirement to just a cagoule etc.

Just as last year, the runners had to sweat it out on the ascent. Ian Holme from Ringley came in first but it looked to be an interesting duel on the descent of

Bingley came in first but it looked to be an interesting duel on the descent of Lingmell Nose and the diagonal path with runner-up Borrowdale's Simon Booth and Mark Roberts. It was actually Rob Jeb, also from Bingley who gained the summit first by almost a minute but unfortunately turned his ankle on the descent, coming in 51st (hope the injury was not too serious). The 3rd place was claimed by Mark Roberts, also from Borrowdale and only 12 seconds covered the first 3 runners.

A marvellous run by George Crayston Jnr. from CFR at the age of 18 brought him in 6th place so a special under 20 prize was awarded for this outstanding achievement. Horwich RMI's Graham Schofield won the V40 category ahead of Borrowdale's Steve Hicks and 3rd man David Armstrong from NFR. The V45 class was headed up by CFR's Rob James, 2nd Irvine Block, also from CFR and 3rd Dave Bateson running for Achille Ratti. The V50 class was won by Ken Taylor from Rossendale, and 2nd counter was Clayton's Jack Holt with 3rd going to club mate Mick Targette. The V55 category was won by John Crummet from Todmorden ahead of Achille Ratti's Bill Mitton. The V60 winner was Barry Johnson from CFR with the runner-up being club mate Joe Richardson and 3rd going to George Barrow from Todmorden. CFR's Harry Catlow (at 69) claimed the V65 prize in 75th place. The ladies' race was won with a tremendous result of 16th overall in a field of 76 by Keswick's Louise Sharp, the runner up being club mate Hilde Krynen. 3rd place wenrt to Bingley's Sharon Taylor. The LV40 category was won by Jane Smith from Todmorden, 2nd place going to club mate Mandy Goth and 3rd to Jane Hornsby from Black Combe. There was no ladies team prize (3 required to count) so please ladies, let's have a few more runners next year!

The Jack and Jill prize was won by Louise and Nick Sharp - total 20 points. There were no retirements.

The Gents team prize was won by Borrowdale who achieved a total of only 20 points!

Thanks go to all of my hard working helpers. On the summit Richard Green and Ian Finlay from the Grains Gill route and Len Watson from the Wasdale side. Helping with the registration, finish, prizes and all else Maggie Reid and early on Pete Ferris. On the radios Chris Ellen. The start and finish team Jim and June Hall. Also to Bob Davis for turning up early and helping with the flags, tent etc. and to Joss Naylor for doing the prize giving and helping with the flags. Thanks to the Wasdale Head campsite and the National Trust for their information and advice on the situation, which allowed the race to go ahead. Lets hope the race can return to its original course in 2002.

I hope you all found the flapjacks to your taste - all disappeared this time but Maggie said the crumbs were nice! I also hope my attempts at brewing were passable and that you eventually will savour the prizes. For those of you that are patient, the longer you leave the beer the better. I had only bottled it about a week ago, sorry I forgot to mention it.

Several months are best to wait....

As always I thoroughly enjoyed organising the event and I hope you all enjoyed the run. Hope to see you again next year. Don't forget, the Ennerdale and Wasdale should be on as well!

Yours in sport

Richard J Eastman, Chairman CFRA
